ABOUT US

MPIYAKHE 04 CONSTRUCTION is a developing company based in the Nelson Mandela Bay Metro and specialising in civil work and building construction and traffic services. The core and backbone of our company is made up with management and interests of a well known and respected local business. We are CIDB Grade 7SB, 8GB, 8CE, 7EP, 7SQ with proven capabilities over a wide range of different fields in the Civil and building industry. MPIYAKHE 04 CONSTRUCTION is a Level 1 Contributor with 100% black owned.

MISSION

Our mission is to develop, build and service all the requirements for for better living, working and traveling conditions in order to improve the quality of life for all. MPIYAKHE 04 CONSTRUCTION is dedicated in providing value added construction services to our customers by creating a successful partnership with them throughout the construction process. Our pledge is to establish lasting relationships with our customers by exceeding their expectations and gaining their trust through exceptional performance by every member of the construction team.

OUR STRATEGY

MPIYAKHE 04 CONSTRUCTION's objective is to deliver better cost-effective solutions that fulfill the Client's, Engineer's and Local Authorities specifications and requirements speedily and with complete legitimacy. Our success greatly depend on our proven capability to adapt to the unique, changing and challenging developmental needs of South Africa. From this pool of resources come a dynamic entity which has been growing quite exponentially. MPIYAKHE 04 CONSTRUCTION employs over 50 permanent staff. In support of local socio-economic upliftment, additional human resources at an annual average in excess of 60 part time staff are appointed and sourced from the local communities within which projects are located

OUR TEAM

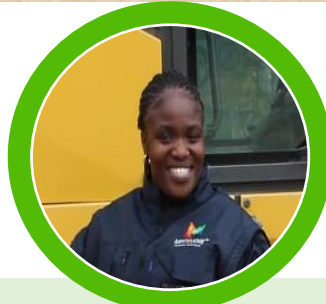

Under the leadership of Mpiyakhe Mlungisi, our team is composed of passionate professionals with diverse skills and experience. We are dedicated to delivering exceptional results and fostering innovation in every project we undertake
